Welcome to Texas Spine & Neurosurgery. Below is our contact information:

Main Phone Number: (254) 732-3987
Toll Free Phone Number: (844) Meet Dr Z or (844) 633-8379
Fax Number: (254) 732-3823

Please fill out the following forms completely in ink. Do not use pencil! Please read over this entire packet of information and sign where indicated. This information will help with questions you may have regarding your care, as well as our policies and procedures.

Our office is open Monday - Thursday, 8:30am to 11:00am, and from Noon to 4:30pm, excluding holidays. We are open on Fridays from 9:00am to Noon, excluding holidays.

Patients are seen by scheduled appointment only. Please be on time to your appointments. Each of our patients has the right to be seen at his/her scheduled appointment time. If you are more than 10 minutes late to your appointment, we may need to reschedule your appointment. Expect your first appointment with Texas Spine & Neurosurgery to last 1 – 2 hours. Subsequent appointments typically last between 15 minutes and 1 hour.

Due to the nature of our practice, there are rare situations which cause the doctor to run behind or to be unavailable for clinic. If this occurs, your appointment may need to be rescheduled. This can happen for a number of reasons, such as Dr. Zielinski being called to an emergency or running late in surgery. We ask for your patience in the event that a delay occurs in your scheduled appointment time, and apologize in advance if you are inconvenienced due to such an issue. We strive to limit inconvenience to patients, and communicate changes to your appointment with as much notice and courtesy as possible.

All missed appointments will result in a \$75.00 fee, which will be charged to the credit card you provided during your new patient intake phone call. To avoid incurring this fee, cancel or reschedule your appointment at least 72 hours in advance of your scheduled appointment.

Co-pays, co-insurance amounts and applicable deductibles are due *before* you see the doctor. We accept cash, money orders, cashier's checks, personal checks up to \$100.00, Visa, MasterCard, Discover and American Express. If your personal check is returned for insufficient funds or you stop payment on a check you wrote to us, you must pay all bank fees, the original amount of the check, and a \$50.00 fee, before you will be scheduled to see the doctor again.

The best way to communicate with our office is via the telephone. Do not rely on e-mail or other electronic forms of communication to reach us.

Thank you for choosing Texas Spine & Neurosurgery. By signing below, I affirm that I have read, understood and accept all of the policies and procedures discussed above.

ASSIGNMENT OF BENEFITS

Financial Responsibility

All professional services rendered are charged to the patient and are due at the time of service. For your convenience, we accept cash, VISA, MasterCard, Discover, American Express, travelers or personal checks up to \$100.00, and money orders. If co-payments, coinsurance and/or deductibles are required by your insurance plan; they are due when services are rendered.

Assignment of Benefits

I hereby assign all medical and surgical benefits, to include major medical benefits to which I am entitled. I hereby authorize and direct my insurance carrier(s), including Medicare, TriCare, private insurance and any other health/medical plan, to issue payment checks directly to Texas Spine & Neurosurgery for medical services rendered to myself and/or my dependents regardless of my insurance benefits, if any. I understand that I am responsible for any amount not covered by insurance. In the event that I receive the insurance payment, I realize that I will be billed personally until the balance is paid.

Physician's Participation with Insurance Plans

Texas Spine & Neurosurgery accepts many insurance plans, but not all. Prior to your initial visit, you should contact your insurance carrier to confirm that Dr. Steven C. Zielinski participates in your plan. If he does not participate with your insurance plan, you will be responsible for payment of all charges, in full, at the time of your visit. You will be provided an itemized bill which you may submit to your insurance plan for any reimbursement to which you may be entitled. NOTE: If Dr. Zielinski does not participate in your plan, this office will NOT bill your insurance company and you will be treated as a self-pay patient.

Authorization to Release Information

I hereby authorize Texas Spine & Neurosurgery to: (1) release any information necessary to insurance carriers regarding my illness and treatments; (2) process insurance claims generated in the course of examination or treatment; and (3) allow a photocopy of my signature to be used to process insurance claims for the period of lifetime. This order will remain in effect until revoked by me in writing. I have requested medical services from Texas Spine & Neurosurgery on behalf of myself and/or my dependents, and understand that by making this request, I become fully financially responsible for any and all charges incurred in the course of the treatment authorized. I agree to pay all charges in full, immediately upon presentation of the appropriate statement. A photocopy of this assignment is to be considered as valid as the original.
